

Christmas Stamp — Old Kirk Braddan in the Snow

The Isle of Man 35p Christmas Stamp 2010 depicts Old Kirk Braddan in the snow of January 2010, photographed by Bill Dale.

"The amazing thing about this is just how colourful the gravestones are when contrasted against the white of the snow"

Together with the Isle of Man Philatelic Bureau, the Friends of Old Kirk Braddan arranged the franking of the stamp on Christmas Eve, and were honoured that the Rt Rev Robert Paterson, Bishop of Sodor and Man and President of the Friends of Old Kirk Braddan, and the Rev Canon Philip Frear, Vicar of Braddan and Vice Chairman of the Friends of Old Kirk Braddan, agreed to sign the Special First Day Cover.

These Special First Day Covers can be purchased for £2.50 each + 50p p&p.
